

# MIGHTY REMOVER

REMOVES ALL INSTANT GLUES

## Product Description

Mighty Remover is a special solvent used to dissolve and remove newly cured instant glues and other adhesives from different surfaces.

## Key Features

- Fast and efficient in removing newly cured instant glue
- Versatile application can be used to remove other adhesives and sealants
- Easy to use

## Product Specifications / Typical Properties / Physical Characteristics

Table 1. Physical Properties\*

Parameters	Results
1. Appearance	Turbid liquid
2. Consistency	Oily-like, flowy
3. Specific Gravity @20°C	1.10-1.30
4. Flash Point	55 °C

Table 2. Efficacy tests\*

Parameters	Results
1. Removal of Fresh Instant Glues/Cyanoacrylate	Efficient (less than 1 minute if sufficient amount is used to soften glue)
2. Removal of Cured Instant Glues/Cyanoacrylate	Efficient (Softening and removal takes less than 30 minutes; this will be hastened with mechanical tools if possible)
3. Removal of other adhesives and sealant products	Efficient (depending on kind and amount of fresh/cured product- mechanical tools may or may not be necessary)
4. Glued or Bonded fingers or skin	Efficient (After application, allow softening to take place, then twist or peel very slowly. Avoid pulling or ripping apart, forcefully as this will damage the skin)

\*Typical Values and characteristics only.

## Applications

- Part debonding for rework
- Clean up of newly cured instant glues
- Clean up of tools and equipments used with instant glues
- Removal of glues on bonded fingers or skin

## Application Procedure

1. Remove the cap and cut nozzle tip.
2. For removal of existing glues, debonding for rework or clean up:
  - a. Apply sufficient amount of Mighty Remover on bonded areas or surfaces.
  - b. Allow glue to soften.
  - c. Remove softened glue with cloth.
  - d. Wipe the area with a new cloth.
  - e. Rinse or wash with water, if necessary.
  - f. Leave to dry.

**3. For removal on bonded fingers or skin**

- a. Apply sufficient amount of Mighty Remover on affected areas.
- b. Allow glue to soften.
- c. Slowly twist fingers together in the opposite direction. Peel glue very carefully. Avoid forcefully pulling or ripping apart as this will damage the skin.
- d. Wipe with cloth.
- e. Then, rinse with soap and water.

**Packaging (available sizes)**

7.5 mL bottle (1box=24 pcs)

**Storage**

Cool, dry place away from direct sunlight and preferably 30°C maximum.

**Shelf Life**

24 months from filling date

**Health and Safety Precautions****Hazards**

Causes serious eye irritation.

**Precaution**

Wash hands thoroughly after handling.  
Wear protective gloves/ clothing/eye or face protection.

**If in eyes:** Rinse cautiously with water for several minutes. Remove contact lenses, if present, and easy to do. Continue rinsing.

**If eye irritation persists:** Get medical advice/attention.

**KEEP OUT OF REACH OF CHILDREN.**

**Note:** In normal use conditions and its original form, the product itself does not involve any other risk for health and environment.

**Warranty and Disclaimers**

Unless an additional warranty is specifically stated on the applicable product packaging or product literature, Pioneer warrants that each Pioneer product conforms with the

applicable Pioneer product specification at the time of shipment, and when properly used and maintained in accordance with Pioneer's current published Technical Data Sheet (TDS), will serve the purpose for which it is intended. The recommendations and statements in Pioneer's TDS are based on good building practice but are not, by any means, an exhaustive statement of all relevant information. Pioneer shall not be liable for the recommendations in its TDS and the performance of the relevant Product. Pioneer shall also not be liable for any claims, damages or defects arising from, or in any way attributable to poor workmanship, incorrect design or detailing, use of the Pioneer product in unsuitable conditions, and force majeure.

Pioneer MAKES NO OTHER WARRANTIES, CONDITIONS OR REPRESENTATIONS, EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, ANY IMPLIED WARRANTY OR CONDITION OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE OR ANY IMPLIED WARRANTY OR CONDITION ARISING OUT OF A COURSE OF DEALING, CUSTOMER OR USAGE OF TRADE. If the Pioneer product does not conform to this warranty, then the sole and exclusive remedy is, at Pioneer's option, the replacement of the Pioneer product or refund of the purchase price.

**Limited Liability**

Except where prohibited by law, Pioneer will not be liable for any loss or damage arising from the use or application of the Pioneer product, whether direct, indirect, special, incidental or consequential, regardless of the legal theory asserted, including warranty, contract, negligence or strict liability.
